NAME _____ DATE _____

MY SUNFLOWER

This spring, I planted a tiny seed. It was a sunflower seed. I put it in the dirt. I watered it every day. The seed grew into a tiny green plant. It grew and it grew. The little sunflower seed grew into a big plant. It has a tall green stalk. It has pretty yellow petals. My sunflower is now taller than I am!

WRITE TRUE OR FALSE ON THE LINES.

1. The girl watered the seed every day. _____
